

UNITED THROUGH READING - - - USO/NJSFWC PROJECT

The basic idea is to send children's books to our troops on the front line, and arrange for them to read the books to their children, while being videotaped. The children then get a DVD of Mom or Dad reading to them, and also the book.

NEW BOOKS ONLY, from list below. We will gladly do the shopping, if you prefer to donate the cost of a new book. Members, please bring books to February's meeting. Non-members can contact the WCA at [\(973\) 968-4791](tel:9739684791) to donate books.

Thank you for your help with this beautiful project.
