Club Accomplishments

The Allwood Branch of the Clifton Public Library was founded in 1970 as a result of the efforts of the Woman's Club of Allwood. In 2012, the Allwood Branch celebrated its 40th anniversary while the Woman's Club of Allwood celebrated its 80th.

The Clifton High School Scholarships reinforce the commitment of the *Woman's Club of Allwood* to assist young women in furthering their education on the way to becoming future leaders in the community.

Various fundraising efforts are held throughout the year to maximize our support of local, national, and international organizations.
